Dear Steve,

*We hope you will enjoy these monthly injections of insight and information into your inbox! **That's a lot of "in's"!** But take it as a friendly sign that our God, too, wants in. Into our lives of course, but especially into our emotional life--into the very heart of where we live. Our desire at Healing Streams is to help the believing world receive the full benefit of His **in** vitation to exchange our tattered and worn, old emotional life for His bright and shiny new one!*

What You See is What You Get!

How the Power of Beholding shapes us.

Since we become like what we behold, we have been warned to be careful what we behold. Israel was forbidden to create images to depict God--the second commandment (Dt 4:15-18). This was because no created image can do justice to the true Image of the Creator and because we inevitably end up serving what we worship (worship means *to ascribe worth to*).

You shall not make for yourself a carved image - any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the water under the earth; you shall not bow down to them nor serve them.
Exodus 20:4-5

Worship and service are intimately connected for we will serve throughout the day what our hearts are focused upon (Mt 6:24). As we bear (or carry deep within) what we behold, we then begin "birthing" that image into life--by our thoughts, words and deeds. We actually become like what we are worshipping--what we are focusing upon! We are made over into the image we bear in our heart of hearts. This applies both to the image of God and to the image of man.

Any distortion of either image will hinder our walk and deplete our joy, because emotions always tend to match up with what has our focus. But we can get them released by putting our focus back where it belongs--on the Lord. Psychologists call the speed by which emotions shift when focus shifts, **the cascade effect**, since any torrent of emotions can instantaneously be replaced by another one. Just think what this could mean in terms of slipping out of the grip of negative emotions and back into the flow of His joy and peace. Learn to let it work for you!

Mercy of the Son with stream

From We to Thee

Back in the "briar patch"

Years ago when I left Christ Church, Savannah, to launch Healing Streams many people thought that I would naturally continue to minister to the homeless as I had been doing part time all along.

For my part I really thought that I had "paid my dues" in that particular area of need and believed that the Lord would be leading me into other fields of harvest.

He is, but He has not forgotten the poorest of the poor. Even as we are seeking to reach the hurting members of the church world-wide through the web, He has opened up a position for me as part time chaplain at the Old Savannah City Mission. This is giving me fresh opportunities to discover "what works" when it comes to mending severe brokenness--**more field testing!**

It has also become a place of unique discovery for Eunice. She says that never in her wildest dreams had she pictured herself ministering to former addicts and criminals. But she is neck deep in it with me--and loving it. What a glorious thing it is to see the New Creation peeping out at you from people that--without the Lord in them--you would not want to have met in a dark alley!

And yet **His love is real**. His ability to transform lives is real. His Word is truth. These are the great discoveries that fuel our own desire to lay our lives down in committed service. Thank you to all of you who have been supporting us in this effort!

An offer you can't refuse!

A lifetime of learning has gone into the workbook that forms the basis of what we teach. Steve likes to say that these truths have been field tested! They are **"truths with traction,"** guaranteed to get your emotional life unstuck from those pesky stronghold areas that the enemy loves to bring our walk to a halt with. All it takes is a small investment your time and treasure to have so many secrets of the heart opened to your understanding. In our seminars it is a constant thrill to see **"the lights go on"** for the students. Now you can have the seminar experience in the comfort of your own home! How can you resist?

Healings Streams is a Christian ministry dedicated to helping people find peace and freedom from troubling issues of the emotional life. Such deep roots often become the source for a host of stress related diseases, psychological disorders and addictions. Even so, our goal for people is not just escape from emotional stress and its consequences, but full entry into true Kingdom living--plunging into the river of Peace that flows all around us from the throne of Grace. **Let's all jump in!**

Sincerely,

Steve and Eunice Evans
